SOMETHING MISSING? NO PROBLEM

QA have a catalogue of over 1,500 training courses which you can bolt-on to your programme.

Training from 'IT Technical' to 'business skills' to tailor your programme for your apprentice’s role in your business.

Bolt-on courses come at an additional cost, and can’t be funded using your levy/apprenticeship funding. They are available at a significant discount off of RRP for apprentices.

Have a large volume of over 30 people you want to sign up? QA’s apprenticeship solution experts can help you tailor your own technology programme.

The learner journey below shows the learning outcomes of the programme, and how it is typically arranged.

20% EVIDENCING 20% OFF-THE-JOB LEARNING

We are the apprenticeship experts and can help advise you on how best to do this. Our programme facilitates off-the-job learning, as it has been developed with online learning and on-the-job learning, as well as classroom training. This 20% must be done in working hours.

*Level 2 functional skills, English and maths must be passed as part of the programme (if not already) and certificates presented, prior to taking the end-point assessment. This will be discussed at enrolment. Request our full brochure for more information.
