

APMG Change Management

Dealing with change and, more importantly, the impact of change, is a high priority for all organisations. QA offer APMG accredited Change Management qualifications which are designed to help organisations and their people manage the impact of change.

APMG Change Management PCM® Foundation

This 3 day course provides delegates with the opportunity to explore approaches to managing change. During the course we will look at how to build the foundations for successful change.

Four core areas will be explored: change and the organisation, change and the individual, communications and stakeholder engagement and change management in practice. Together they will enable a delegate to develop a comprehensive change management plan to support effective change within an organisation.

Course Duration: 3 Days

APMG Change Management PCM® Practitioner

This 2 day course provides delegates with the opportunity to build on their Foundation level knowledge of change management and develop their understanding of the change management in practice module.

Success in the examination enables delegates to apply for exemption from the knowledge level requirements for Foundation membership of the Change Management Institute.

Course Duration: 2 Days

APMG Change Management PCM® Foundation & Practitioner

The five day Change Management Foundation and Practitioner course gives delegates the opportunity to comprehensively explore current thinking on how to manage organisational change.

The sessions will introduce delegates to the foundation and practitioner level content of The Effective Change Manager's Handbook and provide an opportunity to test their understanding through practical group work and the use of sample examination papers. This course includes both Foundation and Practitioner level exams.

Course Duration: 5 Days
