

COACH MENTORING.

WHY CHOOSE COACH MENTORING?

Coach Mentoring improves individual and team performance by enhancing existing skills and helping the individual acquire new skills to benefit their role.

Our Mentoring training equips managers and others with the skills to support individuals in developing their skills, networks and career paths.

Both Coaching and Mentoring enable an individual or team to achieve their full potential and maximise performance within your organisation.

WHAT WE OFFER:

1 to 1 Coach Mentoring tailored to your business requirements.

Coach Mentoring ILM and TAP certifications and qualifications to train coaches, internal managers, leaders and others in your organisations to become qualified and use coaching skills effectively and confidently.

On-going support after your course to ensure you are able to implement skills learnt and work to your full potential.

BENEFITS OF COACH MENTORING.

Individuals rapidly transfer their learning efficiently and effectively to the workplace.

Working efficiently producing an enhanced ROI on training investments.

Individuals become more proactive, rather than being led, and take action to achieve their own goals.

Drives more effective individual contribution to the team and organisation.

Increases the individuals awareness of resources available and how best to utilise these.

Boosts employee job satisfaction and morale within teams.
