

QA Mastering M365 Track

In addition to delivering the courses related to the official Microsoft certifications, QA have a complete Office 365 technical curriculum that can take you deeper in your knowledge of individual Office 365 products, deployments and best practice.

These courses can be taken either completely independently of the Microsoft Official Curriculum (MOC) courses or as a next step for a specific Microsoft 365 product as part of your learning journey.

The below demonstrates the QA Mastering equivalent for each Microsoft Official Track.

QA Exchange Online Messaging Mastering Track	
Microsoft Official Courses	QA Authored Mastering Courses
Implementing a Hybrid and Secure Messaging Platform (MS201)	Mastering Office 365 Exchange Online Administration (QAAEXO)
	Mastering Exchange Hybrid Deployments - Hands On (QADEXHE)
	Mastering GDPR, Governance Security and Compliance in Office 365a * (QAOFF365GOV)

* (QAOFF365GOV) covers all Office 365 products not just Exchange Online

Phenomenal amount of material supplied. On-going support offered and a superb trainer. Was much more than just a course delivered by a trainer clearly passionate about his field and determined to ensure his pupils left with new skills and a clear understanding of the subject.
